

ServiceTitan Extreme

“Creating Superheroes for Your Company”

TBD

This ServiceTitan Extreme is a 2 ½ days of intensive learning and training facilitated by proven industry expert and leader Kathy Nielsen.

Kathy has sat in the seats in the office from Customer Service Rep, Bookkeeper, to General Manager and understands what needs accomplished on a daily, weekly, and monthly basis and the best way to accomplish that within ServiceTitan and QuickBooks.

The ability without a personal onsite to go deep into ServiceTitan and set up for your company and the way you want to operate. Return to your shop ready to teach others with the processes and procedures in writing for your way you want to do business!

This is for participants who are daily users of ServiceTitan and has the ability and authority to made changes and determine best practices for the company with guidance from Kathy.

As a bonus, they will take an evaluation using the Innermetrix ADVanced Insights profile and participate in a follow-up webinar.

- What to bring:
 - Laptop
 - Chart of Accounts from QuickBooks
 - Payroll information (ie: how are techs paid, hourly, commission, spiff items, bonus)
 - A List of items they are struggling with to make sure we cover and answer them
